A LETTER FROM THE PRESIDENT

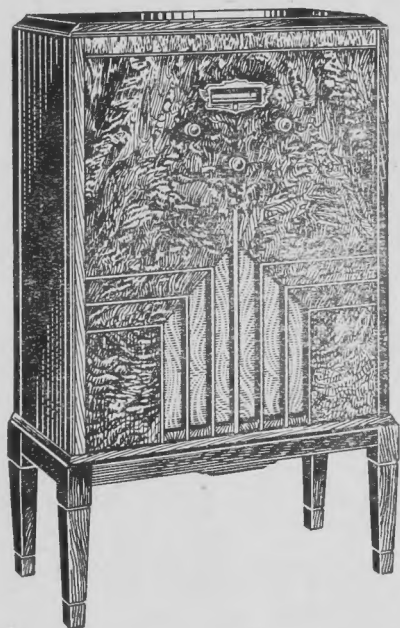

On behalf of the Young Men's Hebrew Association, it is my privilege to extend sincerest thanks to all artists and concerns who are participating and who helped to make this evening's program so entertaining.

The financial success of this undertaking is largely due to the co-operation of our advertisers, all of whom will appreciate your patronage which, I trust, will be forthcoming.

The "Empire" Electric TROUSER PRESSER

Creases Trousers Even While Worn

Easy to use as a Clothes brush — and it won't cause shine. Allow it three minutes to heat, then move slowly down the crease line. The work's done in less than a minute. It can be used for renewing crease lines on coat collars and sleeves— for pressing ties, as well. An inexpensive way for every man to become his own valet.
